Hello,

Debbie Schwenk asked me to prepare the bill for the FOIA, so I would like to get a tally of any hours you spent in search and review of the Raritan Bay Slag FOIA. Please let me know by Friday, May 22, so I can forward the info from Edison to Debbie. Thanks, Irmee

Yeah, if I recall correctly also from back in the day, there is no charging double accounts.

Please be advised that in accordance with the EPA's revised FOIA regulations (40 CFR 2.100, et seq.), effective November 5, 2002, the Agency's fees for processing requests have changed. The new fee schedule is as follows:

- Clerical staff time billed at \$4.00 per 15 minutes of search and/or review
- Professional staff time billed at \$7.00 per 15 minutes of search and/or review
- Managers' time billed at \$10.25 per 15 minutes of search and/or review

*10.25*  
*R. up time.*  
*3.85 + my + mr*  
*+ Deb Schwenk*

*4/29 - 1*  
*5/4 4*  
*5/5 1*  
*5/12 2.5 over sec contract*  
*5/13 .5*

*N/C*  
*6/8 - copy disks 1.5*  
*6/4*  
*6/17 .5*  
*6/22/09 5.5 + 1.5*

- No fee will be charged for services at or below \$14.00
- Assurance of payment of fees above \$25.00 will be obtained from the requester before commencing any work
- Advance payment of fees above \$250 may be required by the Agency before commencing any work
- Fifteen cents per page copied

Hi Wanda, I just wanted to find out what the most recent costs are for search and review time and copying for FOIAs. We may have to have large maps copied (not sure yet), but wanted to know how we would do that if necessary. The record center said they can't do it. Also, if we are sending a bill for the time in search and reviewing the file for FOIA, is that time supposed to be charged to FAN? I vaguely remember that we can't bill the RP twice (for the FOIA and in cost recovery), but I want to make sure. Please let me know. Thanks, Irmee
